By GOVERNOR OF STATE OF UTAH

THE STATE OF UTAH

TO ALL WHOM THESE PRESENTS SHALL COME, Greeting:

Know ye, This is an Acknowledgment and Notice of Acknowledgment made under Utah Code Sections 72-5-309 through 310 inclusive, that the grant of the United States of America of “the right of way for the construction of highways over public lands, not reserved for public uses” under United States Revised Statutes 2477 (43 U.S.C. Section 932 (repealed October 21, 1976, with proviso recognizing the validity of rights-of-way already established)) was accepted for and on behalf of the State of Utah and its political subdivision Washington County as it pertains to the highway located in Washington County known as ANDERSON JUNCTION ROAD; County Road Number: 0342; State Geographic Information Database (SGID) Road Identification Number: RD270342. Total road length is 2.02 miles more or less.

The reason for this Acknowledgment and Notice of Acknowledgment includes, but is not limited to, the fact that the road was constructed, mechanically, or by continuous use as a public highway for a period of at least ten years, over public lands not reserved for public uses, prior to the earlier of (a) the October 21, 1976 repeal of R.S. 2477 or (b) the date the servient estate was reserved for public uses.

This Acknowledgment and Notice of Acknowledgment applies only to the segments of the road that traverse land owned by the Bureau of Land Management, United States Department of the Interior, and does not apply to segments of the road that traverse land owned by any other person or entity. The State of Utah and its political subdivisions reserve the right to make further acknowledgments and notices of acknowledgment with regard to road segments that traverse land owned by other entities, including the United States of America, through one or more of its agencies.

A printed copy of a map showing the location of the road in said county is appended hereto as “Attachment 1,” a printed copy of representative photos of the road is appended hereto as “Attachment 2,” a printed copy of a description of the beginning and ending points of the entire road together with a list of Townships, Ranges and Sections that may be traversed by the road in said county is appended hereto as “Attachment 3,” and a printed copy of the Road Centerline Description Cover Page(s) is appended hereto as “Attachment 4.” The Appendices listed in “Attachment 4” that contain the actual road centerline descriptions are incorporated herein by reference. Affidavits provided by individuals familiar with the road are appended hereto as “Attachment 5.”

A printed copy of this Acknowledgment and Notice of Acknowledgment, together with its Attachments and Appendices, may be viewed and/or obtained at the office of the Utah State Archives.

An electronic copy of this Acknowledgment and Notice of Acknowledgment, together with its Attachments and Appendices, may be viewed and/or downloaded as read-only PDF (Portable Document Format) files via the

Internet at <http://recorded2477roads.utah.gov>.

The owner of the servient estate in the land underlying the road-segments subject to this Acknowledgment and Notice is believed to be the United States of America through one or more of its agencies. Any of such agencies or any other person with a servient ownership claim or a competing dominant estate right-of-way ownership claim, may file a petition in the State District Court for Salt Lake County for a decision regarding the correctness of this Acknowledgment. A claimant shall file a petition within sixty (60) days after receipt of this Notice.

In Witness Whereof, I, John Harja, the official designee of the Governor of the State of Utah, in conformity to the laws of the State (Utah Code Sections 72-5-308 through 310 inclusive), have caused this Acknowledgment and Notice of Acknowledgment to be made.

Signed by my hand in Salt Lake City, Utah, the 23rd day of April, 2008.

AFFIDAVIT OF GEORGE EDWARD WRIGHT
ANDERSON JUNCTION ROAD
COUNTY ROAD NUMBER 0342
WASHINGTON COUNTY, UTAH

State of Utah)
 :SS
County of Washington)

GEORGE EDWARD WRIGHT, being first duly sworn, deposes and states as follows:

1. I am an adult competent to testify about the matters set forth below based upon my personal knowledge. I am 66 years old. I currently reside in Virgin, Washington County, Utah. I have lived in Washington County since 1964. I am a retired Maintenance Supervisor for the State of Utah Department of Transportation, District 5, which covers Southern Utah. I retired in 1987, after 26 plus years of service with the State of Utah.

2. I have traveled and am familiar with a road in Washington County known as ANDERSON JUNCTION ROAD. I am also familiar with the land the road traverses. When I first used and observed the road in 1964, it followed the same route as in 2006, when I last observed it. Attached is a Washington County map showing ANDERSON JUNCTION ROAD. To the best of my knowledge and based upon my use of and familiarity with this road and the land it traverses, the location and route of the road are correctly illustrated on the attached map. The County also identifies this road according to the road number listed above.

3. I have observed that the road has been open to the public for all to use, to come and go as they pleased, since 1964, and continuing through 1976 to 2006.

Throughout this time period I have observed travel on the road by private pickup trucks, jeeps, stock trucks, motorcycles, and other motor vehicles. Through out this time period, the road has been used daily for more than ten continuous years prior to 1976, and it is presently used daily.

4. Throughout the time period from 1964 to 2006, I have used the road myself, occasionally, weather permitting, for wood gathering, sight seeing and hunting.

5. Throughout the time period described in the previous paragraph, I observed vehicles using the road at various times for uses described in the previous paragraph, plus government access; trapping; livestock operations; mining; prospecting; tourism; and recreation, such as camping, picnicking, hiking, and traveling in and through the general areas.

6. It is also my understanding that it is the reputation in the community that this road has been open to the public for all to use, to come and go as they pleased since the early pioneer settlers arrived, and continuing through 1976 to 2006, for the uses described in the previous paragraphs.

7. Prior to 1976, I observed general repairs, maintenance and/or construction activities of the road by Washington County. I observed parked graders, cattle guards, berms, gravel, culverts, graded and raised surfaces, cuts and fills, grader marks, and flood and repair work on the road on an as-needed-basis. I occasionally observed Washington County graders on the road.

WASHINGTON COUNTY ANDERSON JUNCTION ROAD #0342

Appendix A to Attachment 4

Popular Name: ANDERSON JUNCTION ROAD

County: Washington

County Road Number: 0342

State Geographic Information Database (SGID) Road Identification Number: RD270342.

Road-Segment Number: 002

Road-Segment Length: 1.34 miles more or less.

Believed owner of the land underlying this road-segment is: Bureau of Land Management.

The following description is based upon the geographic coordinate system using the NAD83 Datum. The source is GPS mapping grade data as indicated in the metadata and/or the transportation data model of the State of Utah Geographic Information Database (SGID).

The road-segment itself is the monument that is identified by its physical presence on the land. The location of said physical presence is closely approximated by mapping grade Global Positioning System (GPS) data. Said data are checked against the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS) to verify a reasonable degree of accuracy. In circumstances where accurate satellite signal acquisition is not possible, such as deep, narrow canyons or under a canopy of dense foliage, or where very sharp curves in the road make accuracy questionable, such portions of the road were digitized from the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS).

This road-segment may traverse:

Township 40 South Range 13 West, Section(s) 15,22, Salt Lake Base & Meridian

The following description closely approximates the location of the centerline of the physical monument (ANDERSON JUNCTION ROAD)-- Segment 002 based on mapping grade Global Positioning System (GPS) data as defined above:
